Overview:Urban plot of 634 m2, very well situated, next to a green area, with unobstructed views. It is allowed to build an independent villa (edificability of 25%, garage and terraces do not count) We have another 11 plots for sale there, see attached plan, highlighted in blue. They range in prices from 130.000 to 176.000 € depending on size. The area of Cerro del Aguila is very close to the centre of Fuengirola, about 3 km away from the Myramar Shopping Centre. Cerros del Aguila is an uprising area, with good building, access and communications, and very quiet at the same time, a place to live surrounded by pure air and sea sights. Please do not hesitate to contact us if you need more information.
