Overview:This is a top floor corner apartment in a very popular and well established community within a short walk of everything that La Cala de Mijas has to offer. The bright ample lounge diner has access to the south west facing terrace with afternoon sun and partial sea views. There are 2 double bedrooms to the rear of the property and the kitchen and bathroom would both benefit from modernization. You also have the use of the large community swimming pool, separate children's pool and gardens. We have keys in the office for easy viewings
