Overview:A very modern and bright 3 bedroom penthouse with a communal pool and lift access in a fantastic and very central location in Alhaurín El Grande. It has been built and finished to a very high standard, with quality flooring throughout and a new kitchen. The apartment opens into a large and very bright living-dining room with an open modern and fully fitted kitchen that has a utility room and a little patio. From the living room there is access to a big south-facing terrace. Along a corridor there are 2 good sized bedrooms, a bathroom, and at the end we find the master bedroom with an ensuite bathroom and dressing room. From the bedroom there is access to another terrace that overlooks the communal pool area and the countryside in the distance. This is a great property for those looking for some outside space and a pool, whilst living in the centre of town.
