It is very private as there are only 9 villas. The house stands out for its interior size, large garden with two sheds allowing plenty of storage room, and panoramic views over the golf course from the upper terrace. The big living room leads to the lower level terrace and the garden area. In the upper floor, all three bedrooms are overlooking green areas and the golf course. There is private parking in front of the house. Perfect for families or as a rental investment. Easy viewings, a must see!
