Overview:This is unlike most of the properties in Santa Clara with lots of outdoor terrace space and THE MOST AMAZING 360 views of the sea and the mountain. The views need to be seen to be appreciated fully!!! It is a very spacious two bedroom house , two large double bedrooms with ensuite, built in wardrobes that lead onto the terrace with spectacular views!! There is a large kitchen area and open living/dining area. Open chimney. And part of the terrace has glass curtains and therefore creates another lounge area. There is a large open terrace off here and also a roof terrace which has a jacuzzi , very private area. All of the house is very private! Not over looked at all. The house comes with a storage room and two parking spaces. 3mins drive to the nearest beach. 5mins to supermarkets.. 8mins drive to the centre of Marbella , 14mins to Puerto Banus. 30/40 mins to Malaga Airport.
