Overview:Fabulous townhouse with 3 bedrooms, 2 bathrooms (one en suite) and toilet with own land on a corner plot just a few minutes walk from the beach in Torreblanca. Distributed in two floors plus the solarium. On the first floor we find the entrance, a toilet, a distributor that leads to the living room, dining room and kitchen. From both rooms there is access to a half covered sunny terrace (with awning!) that overlooks the beautiful garden. On the second floor we find the large master bedroom with its full bathroom and double en suite, and two good size double bedrooms with fitted wardrobes that share a bathroom. On the third floor we have a distributor with two terraces / solariums on each side: on the east side you can see the sea and on the west the mountain of Mijas. It has very good qualities and many extras that were added to improve the original design: marble floors, aluminum shutters, bars on all windows and doors, awnings, gutters to redirect rainwater, etc. With all the exterior rooms and with light all day, is a very bright house and is in excellent condition ... ready to move into! Located on the corner, it has a beautiful garden full of flowers and fruit trees that surrounds the house (it only shares 1 wall with the neighbor) and gives it a very calm and pleasant atmosphere. It also has a porch with a private parking space within the property and belongs to a community with swimming pool and paddle court. It is very well connected with the lower area of ■■Torreblanca and you can walk to the beach. What makes it an ideal home for families and very attractive as a summer home, where you can enjoy the tranquility of your own garden, the fun of the facilities offered by the community and the proximity of the beach and the center of Fuengirola.
