The villa, robustly built in the 2000s, has been beautifully maintained by its owners and is in perfect condition. The property is presented as follows: entrance via electric gate with ramp to access the large garage, and entrance to the villa via a beautiful hall which opens onto a very spacious living-dining room leading onto a huge south facing terrace with 180° panoramic views. Luxury open-plan kitchen and large laundry room. Very spacious master bedroom opening onto the terrace, 2nd bedroom en suite, large bathroom and dressing room. There is a guest toilet at the entrance of the villa. On the first floor there is a very large bedroom - mezzanine opening onto a solarium terrace with superb views. A large independent flat is located on the garden level with a large living - dining room and open kitchen, large terrace, a spacious bedroom + a second smaller bedroom and a beautiful bathroom.
