There is easy access to the extensive coastal boardwalk and beaches of La Cala de Mijas, El Bombo, Calahonda and Cabopino. This villa's feature, external staircase leads to the middle level of this three level house. Entering the property here, there is a large guest bedroom and bathroom, a separate kitchen, a split level landing with its own street facing balcony, a large lounge and dining room with working fireplace, and access through floor to ceiling doors to a large marble terrace.
