Overview:This fantastic penthouse apartment in Los Patios de Santa Maria Golf. The property has been very well maintained by the owners and has had the kitchen completely refurbished. The property also benefits from glass curtains which have been fitted to the large 31 square metres terrace and when closed creates a large additional area to the apartment. Very close to all shops, Supermarkets, Restaurants, Pubs, Schools, and of course the beach. This property is very well priced for a penthouse in Santa Maria.
