---

Overview: First line golf plot with panoramic sea view! You can build a villa of 2 levels, for a total of 266 sq.meters. There is also a luxury villa project in highest qualities already done if the buyer want this. This plot is one of the absolute best located ones within the community of La Resina Golf & Country Club, on the New Golden Mile in Estepona. Please contact us for more details of the project, and a visit to the plot.
