Overview:Let us proudly presents "El Castaño", a fantastic opportunity to become an owner of the best townhouses you will find on the coast! This is an exclusive line of residences in a closed and peaceful building complex, with all the necessary facilities within range. It is close to shopping districts, schools, a port, golf courses, and a ten minute walk will bring you to an amazing beach. Due to "El Castaño's" placement high above ground level, it provides a spectacular view of the ocean and the beautiful Mijas Mountains as a stunning background. All 15 luxury residences set the bar of quality and standard! They are built using only the very best and finest materials available, and cutting edge technology. The residences vary in size from 265m2 to 329m2, and they all come with solar energy, underfloor heating throughout the entire residence, controlled air conditioning, a huge terrace, a big and spacious basement, and a common swimming pool. All corner residences also come with their own private garden. Residences 1-12 furthermore include a double garage and elevator that takes you from the garage to the top floor. Prices starting from 469.000 €. Contact us today to arrange a viewing!
