Overview: Immaculate luxury villa in the Capellania, with garage for trucks Everything and absolutely everything is impeccable. A solid and high quality construction; Travertine marble floors and bathrooms, mahogany and solid wood, unique wrought iron staircase, heating and air conditioning throughout the house and much more. The villa has two entrances facing different directions. 1 of the entrances has a huge garage where fits a truck easily. There is room for two trucks. Ideal home for those with a certain business. The other entrance is in front; distribution: entrance into a spacious hall with a wide spiral staircase, on the right a room with an en-suite bathroom, kitchen with island, laundry room and connection to the spacious living room with three different rooms: dining room, living room with fireplace and small living room. The last one is in a somewhat elevated position. Semi basement has a distribution hall, cellar with bar and fireplace, bathroom, wardrobes, gym and office. In addition there is the door that connects the garage with the house. The first floor includes a distribution hall, a main bedroom with different areas, large closets, a small living room, a balcony, a dressing table corner, an en-suite bathroom with a Jacuzzi and a separate shower. Here also are some large cabinets. Then there are two more bedrooms on this floor, both with their own en-suite bathrooms and large wardrobes and access to a wide terrace with views of the park behind the house and the mountains at the end. Around the house there are bushes of different types, tropical trees, fountains and a lot of terrace, through a staircase you get to the lower part with grass, pool, barbecue area and exit to the other street. Conclusion: large, comfortable villa with large rooms, views, qualities, good location ...
