Overview:This great 2 bed penthouse has incredible views and is ready for you to move in. The owners have just put in a new floor through out the apartment which looks amazing. When you walk in on your left is the kitchen with utility room. There is a large living dining room with fireplace leading out onto the terrace. There is a semi spiral staircase up to the enormous roof terrace which has great potential for outside living. This also has recently been fully retiled. There are two really good size bedrooms which are both partly refurbished.. The master on the front with a en-suite bathroom and there is a second family shower room. The property comes with underground parking and storage. Most see penthouse.
