[Beds: 2 - 2] [Baths: 2 - 3] [Built size: 67.00 m2 - 102.00 m2] With every decision we make we are writing the story of our life, and deciding to make this development your new home is one of the most important. Innovative and sustainable, all under one premise: prioritizing the warmth of the home and the functionality of the spaces. Enjoy an enviable quality of life, thanks to the variety of services that you will have access to in the immediate vicinity, and make the most of your home by making the most of its common areas, where you will not miss anything. Enjoy your favorite leisure without leaving home. Make the most of every summer day in your pool and solarium. The ideal place to cool off for both adults and the little ones in the house. Stay fit and take care of your health without having to leave your urbanization, because it has a large community gym, bright and with natural ventilation, so that cultivating your body becomes a little easier. For the most "foodies", the urbanization has a Club Gourmet space where you can meet with friends, celebrate birthdays or simply enjoy a meal with your loved ones. We know that in life not everything is leisure, that is why the residential complex has an outstanding coworking space with natural light, to be able to telework in the most professional way whenever be necessary, with all the facilities and in a perfect environment to perform at maximum level.
