Overview: Nice house on a large plot near Alora This nice house is situated on a plot of over 13,000 m² planted with olive, orange, nispero and pomegranate trees that are watered through an irrigation channel. The property is reached via a tarmac road where a large gate gives access to the driveway to the house. Immediately first we see a large covered terrace with a nice BBQ. When we enter the house we are immediately in the nice living room with wood stove and to the right is the half open fully equipped kitchen. Furthermore, there are 3 bedrooms and 1 bathroom. Outside is enough parking space. All utilities are connected.
