All the bathrooms in the property are newly renovated, as is all the interior carpentry (doors and cabinets). On the ground floor we find a large living room, kitchen, patio and a large toilet as well as a large pantry. Going up the stairs we find on the first level 3 large bedrooms (all with air conditioning), of which one of them is en Suite. On the third level of the house we find a large open-plan attic with many possibilities to make an office, play area, 2 bedrooms, dressing room, etc. The attic contains two terraces, one for each orientation, so you have sun at all hours of the day.
