Benahavis. Unbelievable views over the coast, Mediterranean sea, Gibraltar and Africa. The mansion is one of a kind, with all the luxuries such as home cinema, heated pool (Solar Energy), vine cellar, gym, sauna, garage for 6 cars, underfloor heating, component cooling, private well for independent water supply and much more. Property built using only organic and breathable building and insulation materials. The latest within Domotics. PROBABLY THE MOST SPECTACULAR MODERN VILLA ON THE COSTA DEL SOL.
