[redacted]:This masterpiece is the home for architecture and interior savors, uniquely located where exclusive rural living is combined with immediate access to a wealth of wonderful things to discover in Monte Mayor, Benahavis, Malaga. Enduring elements like simplicity, tactility, material honesty and colors evoke the calming aspects of nature. And outside the villa true nature overwhelms you as the surrounding gardens frames the view of the spectacular valley overlooking the Mediterranean ocean. Exceptional focus on finish and details, as well as the creation of a home that is as much a part of the valley as the lush vegetation surrounding the beautiful property. This property must be viewed to be fully appreciated.
