[redacted]:Large townhouse in need of reform but with great potential in the centre of Coín. The house is built over 2 floors and comprises: Ground Floor: living room with dining area, a bedroom, WC, kitchen, bathroom and a utility room. Top Floor: 3 large bedrooms and a spacious landing. Outside there is a large patio / garden with several storage rooms and some fruit trees such as a loquat, two walnut trees and an almond tree. The property is ideally located, just a step away from the Alameda square and close to all amenities (shops, pharmacies, restaurants, cafes, schools, etc.).
