[redacted]:Country lodge that has been used as a busy bed & breakfast establishment. Good business opportunity with a successful yearly income. Parking for several vehicles, wall around villa, two entrances. The main house has open plan living dining room and terrace, big open fire. One bedroom with ensuite bathroom. Downstairs are three apartments, two studios with fitted kitchen and third room with large ensuite and sleeps up to 6 people. All the apartments have access straight down to the private swimming pool and terrace areas. There is also an extra rustic plot which can be sold for anyone wanting farmland. The location is ideal for golfers it is located in the La Cala Golf area and close to many other courses. Very quite rural location and a short drive to the village of La Cala or the beaches of Fuengirola.
