

■■■■■■■■■■:Traditional house in Tolox with the Sierra de las Nieves behind. The property currently has 2 bedrooms and 1 bathrooms (although one of them is quite large and two can be made) It has a living room, dining room open to the kitchen, a pantry room, bathroom and patio Andaluz with direct access to the street. On the first floor there are two bedrooms and a room easily convertible into a third room or study. This property offers many possibilities as it is very well located, overlooking the town of Tolox, with great places to walk, its spa and Torrecilla peak.
