[redacted]:Large estate with 3 fantastic houses. On this large estate of more than 53.000m2 are 3 houses, swimming pool, sauna, tennis court and horse stables. Through the beautiful driveway there are plenty of parking spaces and a few carports to store your car. The access to the beautiful large house can go through a beautiful tropical garden or through a beautiful old authentic gate. The large house has a terrace on one side over the entire width and offers a lounge area and a dining area for delicious breakfast, lunch or dinner. Upon entering you step directly into the large open kitchen with adjoining dining room. Through beautiful old doors you go to the cozy salon with fireplace. These rooms all have a white spanish beamed ceiling. On the ground floor there is also a suite with ensuite bathroom with beautiful galvanized shower. This suite also benefits from a private terrace. The 2nd floor is divided into 2 more large suites with ensuite bathrooms and private terrace or very large balcony. All suites have TV, internet, lockers and air conditioning. On the side of the house is also a beautiful massage room. This entire house is equipped with central heating and hot water from solar panels. Many authentic floors and elements are present in this house. Outside the house there is a large BBQ / relaxation room where you can enjoy a nice snack with a drink. From the large terrace behind the house you can descend with a beautiful stone staircase and you reach the pool of 10x5 meters and even the pool has a staircase of authentic stones. The pool has several terraces around to relax and fantastic views over the valley. On the other side of this garden is completely hidden from the eye also a Finnish sauna. Again, there are different places to relax! The other side of the pool has a separate guest house with a large private terrace with BBQ. The house has an open kitchen / living room / dining room with fireplace. A bedroom with ensuite bathroom and also a separate toilet. On the other side of the driveway is another building with an office at the front. The other side of this building is another home / studio with fireplace separate kitchen and bathroom. A wall behind the living room is located behind the living room. Outside, again a private large terrace with beautiful views. Outside these 3 houses there is also a large tennis court and there are also 4 horse stables. There is also enough room to make a dressage box !! Currently most of the suites are rented to exclusive customers. This could for example be a beautiful wedding location in a very romantic setting !! Permits for rental are available. Houses and plot are perfectly maintained and of very good quality. For the right purposes really a must to visit !!!
