residential area. Completely oriented to the south, it enjoys a lot of light and sea views. It has underfloor heating throughout the house and a basement of more than 100m2. The house has 5 bedrooms and 4 bathrooms plus a toilet distributed in 400 m2 built. The porch gives access to a cozy pool that invites you to spend the afternoons enjoying the radiant sun of the Costa del Sol. The kitchen is fully equipped. The house enjoys a careful decoration in detail in each of its rooms, from the furniture to the combination of colors with the plants that adorn every corner of this dream villa. Without a doubt, this is a property that you cannot hesitate to visit.
