■■■■■■■■:Large house in the attractive village of El Chorro with many possibilities for rental but needs some
modernization!! Village house to be refurbished but then a house with a very good rental potential. Currently the
house offers a living room, completely newly installed kitchen, 3 bedrooms and 1 bathroom. Next to this building
there is another (to be modernized) guest studio with an en-suite bathroom and a shed. Across the entire house
there is a large roof terrace with views over El Chorro and its beautiful rock formations. At the front there is a large
terrace for breakfast or dinner and then there is ample space for placing a swimming pool and a sun terrace. El
Chorro is a tourist attraction because of the "Caminito del Rey" and the many climbing walls. This house could be a
nice B & B or holiday rental after the necessary modernization.
