and ENJOY the andalucian countryside. Great selection of RESTAURANTS near by The main property consists of a large living/dining room with the kitchen located to your right. There are three bedrooms that include a beautiful sunken master bedroom, a real feature of this house. Outside is a large covered terrace as well as space to create an entertaining area. There is also a separate casita converted into a studio apartment, perfect for guests or rentals. A large warehouse also sits on the property that could be used for any number of things.
