■■■■■■■■■■: Casa Rural offers charming houses in Istán, on the outskirts of the Sierra de las Nieves natural park. This property is located in a picturesque and peaceful setting, next to the Verde River. Houses are made of stone and wood and open onto a garden. They have traditional décor and exposed beams. They have a solar energy system. All units have a living room with a sofa and a fireplace, while the kitchen includes a coffee machine and fridge. The area is ideal for hiking and horse riding. Guests can also take 4x4 trips. The Balatin is an hour's drive from the Costa del Sol. Marbella, Estepona and Málaga are also a 1-hour drive away. ----- So are the 3 cabins: • Cabaña Jazmín: a cabin designed for meeting with family or friends. It has capacity for 4 or 5 people, with a double room, another room with 3 single beds, bathroom, kitchen and living room. Also, if you are cold, do not worry! You have a wood stove that will remind you of those wonderful smells of yesteryear. And if on the other hand, it makes a great day, you can enjoy your garden and large porch. • Thought Lodge: this cabin is ideal for a couple getaway or even alone, so that as its name suggests, think of yourself and meditate. It is composed of a double room, bathroom, kitchen and living room. As in the previous one you can enjoy your wood stove and your garden. • The Ivy Hut: THE OUR! What a beautiful cabin. It is very similar to the thought hut, and is also meant for a couple getaway. ----- Let yourself go and return a few years ago, because you will not have a microwave, oven, television, or even mobile !. Yes, there is no coverage or WIFI there; but do not panic, you can get it.
