■■■■■■■■:Great opportunity to get an amazing villa in the best area of the coast (Malibu). Only 50 meters from the beach. Only 5 minutes walk from Puerto Banus. Corner villa with 4 bedrooms and bathrooms en suite. Guest toilet, bodega, pool table room, garage 3 cars. Big kitchen, huge lounge area, private pool. Underfloor heating in all the house. It has 620 M2 inside built on a plot of 1.300 m2. A challenge to find such a villa in this area
