[redacted]:New Development: Prices from € 585,000 to € 795,000. [Beds: 3 - 4] [Baths: 3 - 3] [Built size: 133.00 m2 - 269.00 m2] The first time you set foot in this development you are overwhelmed by the beauty of this extraordinary place. Our project comprises of 40 spacious garden homes with lots of natural light and beautiful views of the sea and surrounding mountains of Mijas. Also on offer are 19 luxury apartments and penthouses, all combining modernity and innovation with a natural ambience and privacy. It is this special blend and our commitment to diversification which sets this development apart. Our bright, state-of-the-art homes invite you to feast your eyes upon the breath-taking views of the Costa del Sol and its marvellous sunsets. At this development we incorporate the best quality materials the market has to offer into our design, guaranteed and approved by the CTE (Building Standards.) The appeal of our residence is strengthened even more by our communal areas for families, which include barbecues, playgrounds, an infinity pool with beach and hammocks and even a wood where you can enjoy picnics and walks.
