[redacted]:// RESERVED // Spacious three bedroom, two bathroom garden corner apartment benefiting from an excellent position at the end of the complex, so very private and with its own garden not accessed by other owners. As you enter the apartment, you can see immediately that it has been well looked after. The interior provides plenty of room for those looking to spend more time here in Spain. More than just a holiday home, it has a good sized kitchen with opening through to the living and dining area. Windows with electric shutters lead out on to the sunny terrace (part covered and part open) and on to the garden. Thanks to the apartment's corner position, this garden is wonderfully private. All three bedrooms and well proportioned doubles with plenty of space around the beds and storage. The two bathrooms (master ensuite and family bathroom) have been modernised. The current owners of this property have also upgraded the front patio to provide a fantastic utility / storage area ideal for those wanting more space than most holiday homes in Spain. The apartment is located on a quiet, residential complex, walking distance to restaurants, shops, cafes and supermarkets. The complex has two pools, one of which is heated, an unusual feature in the area.
