[redacted]:Welcome to M Banus! The most amazing Hollywood-style apartment in Puerto Banus! 2 apartments joined together, and located frontline to the sea by the most exclusive shops and restaurants. And rare to find in this location; it has a large private terrace. Ideal for al-fresco dining or simply chill-out to soak in the atmosphere that only Puerto Banus can give you! Luminous, with windows to the south and the north adding light to the vast open space living area which is dominated by the huge kitchen island serving as both kitchen, bar and natural hang-out. To the back of the living area is an inviting dining room reminiscent of the most chic restaurants, to the front a large sofa invites for relaxing. The master bedroom incorporates a jack&jill bathroom and also features a projector cinema. The guest bedroom suite is located at the back of the apartment. Only the best materials are used in the refurbishment of the apartment, large tiles, exquisite wallpapers, high-grade kitchen and much more. Must be seen to be believed!
