[redacted]:Located on a quiet street in the centre of the lively town of Alhaurin el Grande we find this excellent quality town house. The house is built over 3 floors: On the ground floor there is a dining room, kitchen, patio, shower room and a spacious lounge with a log burning fireplace. On the first floor there is a spacious landing, 3 bedrooms and another shower room. From here there are stairs up to the amazing roof terrace, which is a complete living area in itself with a covered seating area and an open terrace for dining or sunbathing. There is even a second kitchen on the roof as well as a large storeroom. This is an excellent house for permanent living or as a holiday home.
