[redacted]:Fantastic apartment in the heart of Pueblo Banus! In the second line of the marina, it is an attractive property because of its location within Puerto Banus, a few meters from the beach and all the leisure areas close to the place. It has a few meters restaurants, shopping centers, the best luxury stores ... etc. The property consists of 2 very large bedrooms, 2 bathrooms en suite and has a large living room. It is ideal for living or for renting out and getting a high return. The apartment has a fully furnished kitchen, terrace and 3 balconies". Do not hesitate to ask for a visit!
