■■■■■■■■■■: Good size plot in a nice area with fantastic sea views. The plot has already the shell of a villa, which can be completed accordingly to the taste of the new owner. The plot offers enough space for a pool and a garage. There is project for a villa with construction plans which is included in the sale. The building license is in process. The location is ideal – Estepona, with its beautiful beach, the promenade and numerous attractions, is just a few minutes away. To Marbella it takes 15 minutes and to Málaga airport 45 minutes drive. A perfect location for a family residence or as a profitable rental property.
