This villa can become the perfect family villa for permanent living, holiday home or even holiday renting for the golf lovers, as it is located in the perfect private cul-de-sac street just next to the Los Naranjos Golf. It is also only a short drive to Las Brisas and Aloha Golf Clubs, Puerto Banus and the beach. The villa is built on 2 levels and it has been partly renovated in a fresh contemporary design. From the entrance door we come to an open living and dining space with an open plan kitchen, an office space and a guests toilet.
