roof terrace with a storage room. On the ground floor we find a spacious hall, a bedroom on the right, bathroom with shower, living room and kitchen that gives access to a patio with a laundry room (this room was previously a bathroom, so it is easily convertible). The second floor currently has 2 single rooms, a double room, and another full bathroom. The roof terrace is covered and has a large storage room. The location of this property is ideal, next to all services (shops, banks, restaurants, etc).
