M²: 90

ground floor, we find a large entrance, a spacious bedroom, a living room with high ceilings, and a small salita, an equipped kitchen and a full bathroom with a bathtub. On the first floor, we find two very spacious and bright rooms and a small patio. The property needs reform but you can be lived in as it is.. The property has a lot of charm, with its high ceilings and is very central, It would be a good investment or reform project. It is located just 20 minutes from Marbella, Malaga, Fuengirola.

None, None,
