the port and beach promenade! It has views over the sea and the parque de la constitución. No need of a car, you are in the golden area of Marbella, with the best restaurants, shops, supermarket... within couple minutes walking distance. Really one of a kind. It has 3 terraces, to enjoy the sun all day long. It is in great condition. A luxurious opportunity in the best area of Marbella. It's spacious interior offers many possibilities. The price comes with an underground parking and a big storage room, which is situated on a huge solarium that boasts fantastic views. There is a concierge. A must see!
