██████████:Great opportunity to reform! This villa is built on a large plot of 2220m2 in the highly sought after area of El Rosario and has plenty of great opportunities. On the ground floor you find an open living area with a large kitchen and storage room and 2 bed and bathrooms with access to the garden and terrace. On the top floor you have 2 more bedrooms and views to the sea and balcony. It has a double garage with direct access to the road and additional open parking close to the house.
