Currently a 2 bedroom, it is very easy to restore it back to a 3 bedroom property. There are two bathrooms plus a guest toilet. Numerous terraces all with fabulous views. 7 minute drive to the beach and to the town center of Estepona. The terrace off the living room has views to the countryside and sea The property has a private pool, with room for sunbeds. The kitchen is in great condition, with built in appliances. The basement is not currently renovated, but you could make a further bedrooms, living room, Cinema room,gymnasium or whatever you would like. Basement is the access to the pool area. Overall, a very well presented property.
