■■■■■■■■■■:3 Bed Townhouse located at the bottom of the village in Benahavis, within a small walk to the village, local school and the river. The house on entry has a gated open car port to one side and a decked terrace area to the other, on entering the property there is a sense of size of brightness, with a large living dining area leading through to a good size kitchen, which then leads out to a fantastic private courtyard, also on this level is storage and a guest toilet. On the upper there are 2 guest bedrooms both of a good size which share a family bathroom, the Master bedroom is a great size with en suite and good storage, again the upstairs is very bright and again has the feeling of space. This is a fantastic property is been sold furnished and would either be a great investment or a family home
