■■■■■■■■■■: A spacious townhouse in the centre of Alhaurín el Grande. The property has been cleaned and painted but needs to be finished by installing a kitchen and bathrooms. The property offers lots of living space, with the layout to be decided by the new owners. Quirky features include 2 internal open patio areas and a roof terrace with incredible views. The current layout offers 4 bedrooms, 2 living room, spacious kitchen, and 2 bathrooms. If you want to design your own living space in the centre of town then this is a must-see property!
