

■■■■■■■■■■:Impressive contemporary detached single-storey villa on the beachfront with private infinity pool and large terraces located in Mijas Costa. This large property of almost 600 m2 built on a plot of 2,190 m2 is located in Mijas Costa on the very first line of the beach and therefore enjoys the best views of the Mediterranean Sea and a private access to the beach. Also noteworthy is the large elevated terrace area with impressive views of the sea where there is a spectacular designer heated swimming-pool and several "chill-out" areas and a very large space for holding all kinds of parties. The house has 4 bedrooms, each with its corresponding bathroom en suite, a modern fully equipped kitchen, a home cinema, a spacious office and a large living room with stunning views over the Mediterranean Sea. Additionally, we have a gym, a laundry room, a modern machine room and a large garage with space for several vehicles. This property stands out for its modern design, for the quality of the materials used in its construction, modern lightning systems and underfloor heating, etc. and for its unique and exclusive security systems, and finally for its privileged location and spacious interior and exterior spaces. In short, a unique and exclusive contemporary design property located on the first line of one of the best beaches on the Costa del Sol, built with the best qualities and with a magnificent outdoor leisure area with unbeatable views of the sea.
