The set of the bedrooms and a bathroom have a separate entrance from outside the house. Large terrace on the perimeter of 430m2. The mezzanine floor is distributed in two large offices, two toilets, and a room that can be used as a waiting room for clients. At the level of the premises (you enter at street level through Av. La Leala) we have the parking or workshop space, a room and a toilet. The distribution is also perfect for a company (car repair shop, rent a car, caravan depot, etc.) that can install its offices and customer service in one place. If what you are looking for is your home and where to set up a business, this is an ideal opportunity!
