[redacted]:This great duplex penthouse has a lot to offer. On the enter level you find two good size bedrooms, 1 shower room and a one en-suite bathroom. There is a very large open kitchen and a good size living room with fireplace leading out to the covered terrace with amazing sea views. There is a staircase leading to the second level with an amazingly large roof terrace with BBQ area, there is small kitchen, a toilet and a large storage space that currently hold a single bed. The views from here are even better. There is a large communal parking that is only steps away from the entrance of this penthouse. Great value for money.
