[redacted]:This villa is located on the first line of Mijas golf with a beautiful view over the golf and urbanization. The new owners only have to furnish it as the villa has been completely renovated (beautiful) and is semi-automated. There are four bedrooms and three bathrooms, including a guest house, and a spacious driveway and carport for five cars. It is really a beautiful area to enjoy the peace and privacy to live or spend the holidays there.Mijas golf is well located and the connecting roads from or to Mijas golf are very well connected. It is a very interesting property.
