[redacted]:We have the great pleasure to present this newly built villa with fantastic views. It offers a practical and luxurious home of 422 sqm on a plot of approximately 1550m2 with, among other things, electric station, infinity pool and terrace with jacuzzi and amazing views. Perfect for you who are looking for a private property in an undisturbed area. Entrance floor consists of a bedroom with ensuite bathroom, fully equipped kitchen, WC and living room in an open floor plan with large windows. Thanks to these, you can take advantage of the wonderful light and views that surround the house and the infinity pool that luxuries the home. On the second floor we find two bedrooms, each with an ensuite bathroom and terraces to both bedrooms. The larger terrace is definitely a highlight along with the jacuzzi and the nice barbecue area for nice living areas that are a real joy. On the ground floor we find a cinema room and an office room that can be converted into a bedroom. Outside space and next door there is a carport where we can also charge electric cars.
