[redacted]:Best opportunity available to buy a Casa Mata with private terraces and private garage in central Málaga! In the midst of Segalerva, between Los Salesianos school and San Miguel park, we find this CASA MATA. The main floor consists of private terrace, distribution hall, living room, kitchen with diner, bathroom and three bedrooms. From the kitchen we access a patio with a staircase leading us to the second floor, where we find a recently renovated guests apartment with patio, private terrace, living room with kitchen, bedroom and bathroom. The terrace has its own dining area and plenty of chill-out space, with views overlooking the city and the mountains. An authentic jewel full of character, blessed with sunny outdoors and private parking in a privileged location.
