It has a fully equipped American kitchen integrated into a large living room with fireplace, all in an open and bright space with direct access to the barbecue area and terrace. It has 2 main bedrooms with en-suite bathrooms and another 2 bedrooms that share a bathroom. The house, which has first class qualities, has a modern design with a double height ceiling, large windows and an open office area on the upper floor. All bedrooms have large built-in wardrobes. The bathrooms have underfloor heating. 10 x 5 saline pool. Wooden floors on the upper floor and in the main room on the first floor. Two-car garage inside the plot. Separate laundry room. 25m2 storage room.
