[redacted]:A rare opportunity to buy a large 4 bedroom corner townhouse in Last Green. The house is in immaculate condition as the current owner has done several improvements in the last year. The kitchen was recently fitted using only the finest of materials creating a wonderful focal point in the house. The split level living and dining room has a luxurious feel where the living area leads you straight out onto one of the terraces and the garden area. All 4 bedrooms are on-suite. There are incredible sea and mountain views from the large solarium. The property has undergone an extensive maintenance program with the changing of all electrics, the installation of a top quality antical water softener, new wallpaper and painting throughout. The property also comes with a private garage, big enough for 3-4 cars. A true gem in a priviliged position.
