■■■■■■■■:Investment Opportunity - Large modern office situated on the corridor to Malaga, Seville, Cordoba
and Cadiz. This large modern office building is ideally located for access into the major cities in Andalucía and to
the north of Spain. Situated in the technology park of Antequera, the office has nearly 500m2 of floor space and
offers a large modern entrance area, kitchen, bathrooms and separate meeting rooms. Previously used as one of
the main branches for a well known bank, it is possible to create a large telesales area, client meeting rooms and
administration rooms. Great opportunity for a rental investment or to run your own business.
